COURSE TIMES

Monday - Friday from 10.00 - 12.00. Daily Meeting point is the **orange ski school flag** at the Skischulsammelplatz next to Hornbabylift (R4).

ABOUT THE COURSE:

Our skikindergarten is for **beginners** (= first time on skis) **from 3 to 4 years** only. Older children will easily get bored, for younger kids we offer private lessons. Please understand that minimum age of 3 is required! In this course, children learn the basics of skiing. The „aim of the week“ is to learn how to stop. The first steps on skis are accompanied by many games and fun in the snow.

SKI PASS:

Please organize a free „Mini-Skipass“ (for children born 2017 or later) in advance by showing the ski course ticket and an ID card of your child at the lift kassa.

SNACK BREAK:

Skiing costs energy and makes hungry! That's why we take a short break where we provide drinks and a small snack. If your child has any allergies, please contact us in advance.

WEEK PROGRAM:

- A **photographer** visits us on **Tuesday** to take pictures of our group. These photos are available for viewing and purchase at the ski school office from Wednesday, two pictures in a presentation folder cost € 12,00.
- **Bruno Bär** comes to visit us on Tuesday too.
- At the end of the week (Thursday at 12 or Friday morning) we organize the **final race**. Fans are welcome! On Friday at the end of the course we have the winner ceremony, where every child gets a medal and a certificate.
- **Painting competition:** every child receives a drawing of Bruno Bear- if you´d like to participate in our prize drawing, please hand the completed picture to your instructor or bring it to the skischool office until **Wednesday**.

FAQ

DROPPING OUT?

Sometimes children become ill, or just don't like the course. If that happens, please visit our office for a refund. We need to charge every day that has begun. Free cancellation is possible until one day before.

REQUIREMENTS

Your child shall feel healthy and fit for participation in the skikindergarten. It's not necessary to have kindergarten experience, but your child shall be able to stay without you for 2 hours and accept the instructor as caregiver.

GROUP SIZE?

We have a maximum of 5-6 children to one instructor in the skikindergarten. If there are more children, there will be more instructors too.

PARENTS?

Of course you can stay with your child at the beginning of the course. Later on, it's usually better when the children have their parents out of sight. Nevertheless sometimes it doesn't work without Mummy and Daddy.

EQUIPMENT

Children need skis, boots and a helmet in the skikindergarten. Please leave the poles at home, we won't need them. If possible, please use mittens instead of gloves.
